

NOTE :

The above figures of percentage are with reference to the entire budget provision of the T.D.Bs. and not with reference to the amount earmarked for any class or group of persons. It is therefore very difficult to indicate whether 18 per cent of the amount so earmarked has been spent for the benefit of persons belonging to the S.C., S.T. and Denotified Tribes. The detailed information and full particulars in this behalf are not readily available.

It may however be noted that the obligatory and discretionary functions cast upon the Taluk Development Boards under Sections 130 and 131 of the Mysore Village Panchayats and Local Boards Act, 1959, relating to the developmental activities are applicable to the people belonging to S.C., S.T. and Denotified Tribes also.
